
FAIRNESS, EQUAL OPPORTUNITY AND STUDENT SELECTION POLICY

OVERVIEW

Master Builders Association (SA) Inc has open, fair and transparent procedures that are based on merit for making decisions about the selection of persons to enrol from among the persons who seek to enrol.

When making such decisions, Master Builders Association (SA) Inc (MBASA) may take into account any educational disadvantage that a student may have experienced.

Master Builders Association (SA) Inc will ensure:

- all students and prospective students will be treated fairly
- that the student selection procedure is an open, fair and transparent procedure based on merit for making decisions about the selection and treatment of students and prospective students
- MBASA provides information that demonstrates students will not be discriminated against in any way via the Student / Participant Handbook available on the mbasa.com.au website
- the decision making process is based on merit and MBASA treats all students fairly
- information regarding the merit-based selection process that is in place is freely accessible to all prospective students via our website
- our organisation's policies and procedures are published and made publicly available.

Entry Criteria (pre-requisites) are published on our website:
